COMPLAINT

COMES NOW, ANTHONY CAIRNS, by and through the undersigned counsel, and files this, his Complaint against Defendant, TSCA-224 LIMITED PARTNERSHIP, pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 *et seq.* (“ADA”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (“ADAAG”). In support thereof, Plaintiff respectfully shows this Court as follows:

JURISDICTION

1. This Court has original jurisdiction over the action pursuant to 28 U.S.C. §§ 1331 and 1343 for Plaintiff’s claims pursuant to 42 U.S.C. § 12181 *et seq.*, based upon Defendant’s TSCA-224 LIMITED PARTNERSHIP, failure to remove physical barriers to access and violations of Title III of the ADA.

PARTIES

2. Plaintiff ANTHONY CAIRNS (hereinafter “Plaintiff”) is and has been at all times relevant to the instant matter, a natural person residing in Dallas, Texas (Denton County).

3. Plaintiff is disabled as defined by the ADA.

4. Plaintiff is required to traverse in a wheelchair and is substantially limited in

performing one or more major life activities, including but not limited to: walking, standing, grabbing, grasping and/or pinching.

5. Plaintiff uses a wheelchair for mobility purposes.

6. Plaintiff is also an independent advocate of the rights of similarly situated disabled persons and is a “tester” for the purpose of enforcing Plaintiff’s civil rights, monitoring, determining and ensuring whether places of public accommodation are in compliance with the ADA. His motivation to return to a location, in part, stems from a desire to utilize ADA litigation to make Plaintiff’s community more accessible for Plaintiff and others; and pledges to do whatever is necessary to create the requisite standing to confer jurisdiction upon this Court so an injunction can be issued correcting the numerous ADA violations on this property, including returning to the Property as soon as it is accessible (“Advocacy Purposes”).

7. Defendant, TSCA-224 LIMITED PARTNERSHIP (hereinafter “TSCA-224 LIMITED PARTNERSHIP”) is a Texas limited partnership that transacts business in the State of Texas and within this judicial district.

8. Defendant, TSCA-224 LIMITED PARTNERSHIP, may be properly served with process via its registered agent for service, to wit: c/o RMN Property Company, Registered Agent, 301 S. Sherman Street, Suite 100, Richardson, TX 75081.

FACTUAL ALLEGATIONS

9. On or about November 3, 2020, Plaintiff was a customer at “Game Stop,” a business located at 1081 W. Main Street, Lewisville, TX 75067, referenced herein as “Game Stop”. *See* Receipt attached as Exhibit 1. *See* also photo of Plaintiff attached as Exhibit 2.

10. Defendant, TSCA-224 LIMITED PARTNERSHIP, is the owner or co-owner of the real property and improvements that Game Stop is situated upon and that is the subject of this

action, referenced herein as the “Property.”

11. Defendant, TSCA-224 LIMITED PARTNERSHIP, as property owner, is responsible for complying with the ADA for both the exterior portions and interior portions of the Property. Even if there is a lease between Defendant, TSCA-224 LIMITED PARTNERSHIP, and a tenant allocating responsibilities for ADA compliance within the unit the tenant operates, that lease is only between the property owner and the tenant and does not abrogate the Defendant’s requirement to comply with the ADA for the entire Property it owns, including the interior portions of the Property which are public accommodations. *See* 28 CFR § 36.201(b).

12. Plaintiff’s access to Game Stop and the Property, located at 1081 W. Main Street, Lewisville, TX 75067, Denton County Property Appraiser’s property identification number 773555 (“the Property”), and/or full and equal enjoyment of the goods, services, foods, drinks, facilities, privileges, advantages and/or accommodations offered therein were denied and/or limited because of his disabilities, and he will be denied and/or limited in the future unless and until Defendant is compelled to remove the physical barriers to access and correct the ADA violations that exist at the Property, including those set forth in this Complaint.

13. Plaintiff lives 14 miles from the Property.

14. Plaintiff has visited the Property at least once before as a customer and advocate for the disabled. Plaintiff intends on revisiting the Property within six months after the barriers to access detailed in this Complaint are removed and the Property are accessible again. The purpose of the revisit is to be a return customer, to determine if and when the Property are made accessible and to maintain standing for this lawsuit for Advocacy Purposes.

15. Plaintiff intends on revisiting the Property to purchase goods and/or services as a

return customer as well as for Advocacy Purposes, but does not intend to re-expose himself to the ongoing barriers to access and engage in a futile gesture of visiting the public accommodation known to Plaintiff to have numerous and continuing barriers to access.

16. Plaintiff travelled to the Property as a customer and as an independent advocate for the disabled, encountered barriers to access at the Property, suffered legal harm and legal injury, and will continue to suffer such harm and injury as a result of the illegal barriers to access present at the Property.

COUNT I
VIOLATIONS OF THE ADA AND ADAAG

17. On July 26, 1990, Congress enacted the Americans with Disabilities Act 42 U.S.C. § 12101 *et seq.*

18. Congress found, among other things, that:

- (i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number is increasing as the population as a whole is growing older;
- (ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against individuals with disabilities continue to be a serious and pervasive social problem;
- (iii) discrimination against individuals with disabilities persists in such critical areas as employment, housing public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public services;
- (iv) individuals with disabilities continually encounter various forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, overprotective rules and policies, failure to make modifications to existing facilities and practices, exclusionary qualification standards and criteria, segregation, and relegation to lesser service, programs, activities, benefits, jobs, or other opportunities; and

- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our free society is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. § 12101(a)(1) - (3), (5) and (9).

19. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (ii) provide a clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and

* * * * *

- (iv) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced day-to-day by people with disabilities.

42 U.S.C. § 12101(b)(1)(2) and (4).

20. The congressional legislation provided places of public accommodation one and a half years from the enactment of the ADA to implement its requirements.

21. The effective date of Title III of the ADA was January 26, 1992 (or January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of \$500,000 or less). 42 U.S.C. § 12181; 28 C.F.R. § 36.508(a).

22. The Property is a public accommodation and service establishment.

23. Pursuant to the mandates of 42 U.S.C. § 12134(a), on July 26, 1991, the Department of Justice and Office of Attorney General promulgated federal regulations to implement the requirements of the ADA. 28 C.F.R. Part 36.

24. Public accommodations were required to conform to these regulations by January 26, 1992 (or by January 26, 1993 if a defendant has 10 or fewer employees and gross receipts of

\$500,000 or less). 42 U.S.C. § 12181 *et seq.*; 28 C.F.R. § 36.508(a).

25. The Property must be, but is not, in compliance with the ADA and ADAAG.

26. Plaintiff has attempted to, and has to the extent possible, accessed the Property in his capacity as a customer at the Property and as an independent advocate for the disabled, but could not fully do so because of his disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

27. Plaintiff intends to visit the Property again as a customer and as an independent advocate for the disabled, in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Property, but will be unable to fully do so because of his disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Property that preclude and/or limit his access to the Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

28. Defendant, TSCA-224 LIMITED PARTNERSHIP, has discriminated against Plaintiff (and others with disabilities) by denying his access to, and full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of the Property, as prohibited by, and by failing to remove architectural barriers as required by, 42 U.S.C. § 12182(b)(2)(A)(iv).

29. Defendant, TSCA-224 LIMITED PARTNERSHIP, will continue to discriminate

against Plaintiff and others with disabilities unless and until Defendant, TSCA-224 LIMITED PARTNERSHIP, is compelled to remove all physical barriers that exist at the Property, including those specifically set forth herein, and make the Property accessible to and usable by Plaintiff and other persons with disabilities.

30. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Property include, but are not limited to:

ACCESSIBLE ELEMENTS:

- (i) Near Unit 109, the access aisle to the accessible parking space is not level due to the presence of an accessible ramp in the access aisle in violation of Section 502.4 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to exit and enter their vehicle while parked at the Property.
- (ii) Near Unit 109, the accessible curb ramp is improperly protruding into the access aisle of the accessible parking space in violation of Section 406.5 of the 2010 ADAAG Standards. This violation would make it difficult and dangerous for Plaintiff to exit/enter their vehicle.
- (iii) Near Unit 109, the side flares of the accessible curb ramp protrude into the accessible parking space making it unlevel in violation of section 502.4 of the 2010 ADAAG standards. This violation would make it difficult and dangerous for Plaintiff to exit/enter their vehicle.

- (iv) Near Unit 109, the accessible ramp side flares have a slope in excess of 1:10 in violation of Section 406.3 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access the units of the Property.
- (v) Near Unit 109, there a vertical rise at the top of the accessible ramp that is approximately an inch, in violation of Sections 303.2 and 405.4 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access public features of the Property.
- (vi) Due to a policy of not having parking stops for the parking spaces directly in front of the exterior access route leading to all accessible entrances of the Property, cars routinely pull up all the way to the curb and the "nose" of the vehicle extends into the access route as a result, in violation of Section 502.7 of the 2010 ADAAG Standards, parking spaces are not properly designed so that parked cars and vans cannot obstruct the required clear width of adjacent accessible routes.
- (vii) Due to the placement of large trash cans in the accessible route, there are publicly accessible areas of the Property having accessible routes with clear widths below the minimum 36 (thirty-six) inch requirement as required by Section 403.5.1 of the 2010 ADAAG standards. This violation would make it dangerous and difficult for Plaintiff to access exterior public features of the Property. (Also add below)
- (viii) Due to the violations stated in (vi) and (vii) above, the Property lacks a single accessible route connecting accessible facilities, accessible elements and/or accessible spaces of the Property in violation of Section 206.2.2 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access public features of the Property.

- (ix) On the accessible route directly in front of Unit 107, there is a vertical rise in excess of ½ inch in violation of section 303.2 of the 2010 ADAAG Standards. This violation would make it difficult for Plaintiff to access this publically accessible unit of the Property.
- (x) Under the BB&T sign there are two accessible parking spaces which lack parking stops so that when a vehicle parks in these accessible parking spaces and pull up all the way, the nose of the vehicle extends over the accessible ramps blocking the clear 36 inch accessible route in violation of section 502.7 and 405.5 of the 2010 ADAAG Standards. This violation would make it difficult for Plaintiff to access the units of the Property from these accessible parking spaces.
- (xi) Due to the violation in (x), the Property lacks an accessible route from accessible parking spaces located under the BB&T sign to the accessible entrances of the Property in violation of Section 208.3.1 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access the units of the Property.
- (xii) The total number of accessible parking spaces is inadequate and is in violation of Section 208.2 of the 2010 ADAAG standards. There are 112 total parking spaces on the Property requiring five (5) accessible parking spaces but there are only three (3) accessible parking spaces. This violation would make it difficult for Plaintiff to locate an accessible parking space.
- (xiii) The Property lacks an accessible disabled parking space identified with signage as van accessible in violation of Section 502.6 of the 2010 ADAAG standards This violation would make it difficult for Plaintiff to locate an accessible parking space.

(xiv) The Property lacks an accessible route from the public sidewalk to the accessible entrance in violation of Section 206.2.1 of the 2010 ADAAG standards. This violation would make it difficult for Plaintiff to access the units of the Property if he arrived using public transportation.

(xv) Defendant fails to adhere to a policy, practice and procedure to ensure that all facilities are readily accessible to and usable by disabled individuals.

31. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Property.

32. Plaintiff requires an inspection of the Property in order to determine all of the discriminatory conditions present at the Property in violation of the ADA.

33. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

34. All of the violations alleged herein are readily achievable to modify to bring the Property into compliance with the ADA.

35. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because the nature and cost of the modifications are relatively low.

36. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Property is readily achievable because Defendant, TSCA-224 LIMITED PARTNERSHIP, has the financial resources to make the necessary modifications since the Property is valued at \$2,651,597.00 according to the Property Appraiser website.

37. The removal of the physical barriers and dangerous conditions present at the

Property is also readily achievable because Defendant has available to it a \$5,000.00 tax credit and up to a \$15,000.00 tax deduction available from the IRS for spending money on accessibility modifications.

38. Upon information and good faith belief, the Property have been altered since 2010.

39. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

40. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that he will continue to suffer irreparable harm unless and until Defendant, TSCA-224 LIMITED PARTNERSHIP, is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Property, including those alleged herein.

41. Plaintiff's requested relief serves the public interest.

42. The benefit to Plaintiff and the public of the relief outweighs any resulting detriment to Defendant, TSCA-224 LIMITED PARTNERSHIP.

43. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant, TSCA-224 LIMITED PARTNERSHIP, pursuant to 42 U.S.C. §§ 12188 and 12205.

44. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant, TSCA-224 LIMITED PARTNERSHIP, to modify the Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

(a) That the Court find Defendant, TSCA-224 LIMITED PARTNERSHIP, in

violation of the ADA and ADAAG;

- (b) That the Court issue a permanent injunction enjoining Defendant, TSCA-224 LIMITED PARTNERSHIP, from continuing their discriminatory practices;
- (c) That the Court issue an Order requiring Defendant, TSCA-224 LIMITED PARTNERSHIP, to (i) remove the physical barriers to access and (ii) alter the subject Property to make it readily accessible to and useable by individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff his reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.
